**Dirty Danielle** has just had her floor laminated. And there is no pun intended in that statement. Although her cunt did recently get a fresh coating of cock varnish. "My new bloke is relentless," she enthuses. "I don't think I've ever been with a guy who wants sex as much as I do. We'll be at it morning, noon and night and he'll always have a full load to squirt up me – if he hasn't splashed it all over my boobs and face already. I'll not see him for a few days and I'll still have remnants of his sticky mess dripping out of my twat. I can't complain though, it keeps me from going hungry!"

were going on about how they wished I wasn't their best friend's partner.

I grabbed Fred, told him not to worry and started to kiss him. Graham looked on in amazement until I invited him to join in.

Graham didn't need much encouragement and was soon touching my tits through my blouse.

They quickly undressed me and started kissing me all over which made me even wetter.

## Rear enders

**B**ecause I'm very petite with a small pussy I like big men who can fill me right up.

My partner Bill is only average size so I was very excited when he said his friends Graham and Fred were coming to stay.

Because they were big guys I hoped they would be big where it counted. I got the chance to find out when Bill had to work one night and I was left to entertain them.

We'd been down the pub and when we got home they

took their pants down and I saw two large hard cocks.

**I grabbed them both and put Fred's in my mouth while motioning to Graham to fuck me doggy style.**

Soon I had one big cock in my mouth and another in my pussy. I was so turned-on that I came as Graham's balls hit my clit with each stroke.

I was sucking Fred so hard that he nearly came but pulled out just as Graham shot his load up me.

**Fred took over in my pussy and I started sucking Graham to get him hard. Fred was so turned-on he shot his load straight away.**

I was just about to start again when Bill arrived home. Graham and Fred ran upstairs leaving me to get dressed just before my fella found me! *Maya, London.*

**M**y hubby Phil recently booked a long weekend away in the Lake District. We were staying in a very small hotel and the only other people in the bar were a bunch of contractors.

**I was in my element surrounded by so many horny, fit men and Phil got very aroused when he saw me flirting with them.**

I was dressed up in stockings and suspenders with a mini skirt but no knickers. It left little to the imagination.

Sat in the bar I parted my legs and gave all the guys a

flash of my glistening slit. Four of them ogled me while my husband looked on with glee.

Phil couldn't believe I was being so brazen, especially when I started sitting on some of the guys' laps. They were all having a go at fingering me and I had to muffle my orgasmic moans.

**Eventually we took the action upstairs to our room, I stripped off in front of the guys and one by one I sucked them off.**

Phil sat back in a chair and watched as I pleased the four lads. They took turns fucking me while I continued to wank and suck them off.

Eventually they all came and plastered me with their spunk. I was dripping in cum as they all got dressed and left the room.

Phil dived on top of me and started to lick me out. Then he brought me off with his tongue before giving me another good fucking before I couldn't take anymore.

## BEHIND THE SCENES AT ESCORT

Julia Jones was delighted to receive so many parcels this month but was most wowed by the bundle of assorted condoms. She promises to use them all by next month – and then tell us all about it! Send Julia more stuff at Escort, 2 Archer St, London W1D 7AW.

# BADCOCKS & RUBBERS!

Every day is detention day in Lolly's School Of Rubber. Trust our filthy young friend Ms Badcock to be starring in a smut flick where she runs her own school and gets to dish it out to the submissive likes of Michelle B, Renee Richards and Angel Long. Get yourself a copy of the DVD from Dreamlight, ground yourself and get ready to repeat those lines: "I must not call Lolly Badcock a lesbian slut!"

## Letters to Julia

Dear Julia, I am in my early sixties and fantasise about giving oral sex to all the beautiful and not-so-beautiful females who model each month in *Escort*. I would especially like to lick the cleanly-shaven vagina of Ashaya who graced the centre-spread of vol 29 no 5. What I would like to ask you is why do you think I have lived all my life without any real sexual fulfilment? Is it fate or just plain bad luck?

Charles, Norwich.

**Julia says:** I feel for you Charles but what's with all this talk of our not-so-beautiful models? If you adopt that sort of attitude it's no wonder you haven't got laid recently. Just ask our deputy editor...

Dear Julia, After seeing that Jacquie bird in the last issue stripping off at her local rugby club I thought I'd ask you if you follow any sports, if so, which ones? I reckon you're one of these tarty footballers' wives types – am I right?

Joe, Bath.

**Julia says:** To be honest I'm more into watersports – if you know what I mean. Having said that I wouldn't mind being one of those football WAGs, they've got it well easy. Just think, I'd get to go shopping all day and fall out of swanky clubs all night! And let's face it, if you are going to fuck a brainless millionaire it may as well be one who's fit as fuck and can last 90 minutes in the bedroom.

## TANYA SPLITS!

Her ballet career may be behind her but that doesn't mean former tutu clad tart Tanya can't put some of those jaw-dropping moves to good use! See more on p. 14!

## TRUCKIN' LOVELY!

London lass Louise (40) loves riding naked in the passenger seat with her sweet pussy on show. "I'd love to fuck a lucky trucker in his cab one day," she confesses!

# WRAPPER'S DELIGHT!

If you've been neglecting your recommended five-a-day in favour of a bit of slap and tickle then why not combine the two? Pasante have got a whole variety of condoms to suit every erection including mixed-flavour condoms with tastes like tantalising strawberry and vanilla, banana and blueberry. OK, they might not constitute your proper five-a-day but they will stop your missus getting fat - in the pregnant way!

"I don't get scared but my nipples get hard," she admits. "Saying that, I just have to see a fit bloke and my nipples get hard. I'm such a horny cow all it takes is a few rubs and I'm dripping wet between my legs. My husband loves it as he's got a massive cock and when I'm soaking he gets to slip it right up there!"

# REAL WIFE SEX

Tara, 27,  
Ipswich

**Tasty Tara knew how to turn up the heat in her bedroom – by inviting another couple over...**

I have an amazing sex life with my husband Carl, but I've always fantasised about having a foursome with another couple.

One evening after having a few drinks in a local bar I decided to take the bull by the horns and actually make this fantasy come true.

I noticed another couple at the bar who I'd been exchanging flirty glances with and decided to approach them.

After a few drinks and some filthy chat I brought up the subject of a foursome. They were well up for the idea so we raced back to mine.

My husband was quite surprised when we burst through the door but once I'd explained what I had in mind a smile started spreading across his face. I also noticed his cock rising in anticipation.

I dragged the woman, Michelle, into the bedroom

and motioned for the lads to follow. Then I pushed her down on the bed lifting her skirt above her hips and sliding her panties down her shapely legs.

I buried my face deep between Michelle's gorgeous thighs, smelling her sweet fragrance.

I licked her along her wet cunt and flicked her clit with my tongue until she was squirming underneath me.

By now both the lads were rock-hard and aching to join in. My husband, tugged off my skirt and panties. Then he released his cock from his trousers and buried it deep into my wet cunt.

The other guy, Stuart, stripped off his trousers and thrust his cock into Michelle's mouth, pushing it deep.

Michelle licked her tongue along Stuart's hard member and sucked him while playing with his balls.

Carl was thrusting his large, hard cock in and out of my soaking wet pussy.

**I licked along her wet cunt**

I ran my tongue around Michelle's tight arsehole then flicked it in and out of her delicate ring.

She was soon cumming bucket loads so I took my tongue out to lap up all her really sweet juices.

I told Stuart I wanted him to come and stretch her tight arse with his big cock and he wasted no time in obeying me.

I turned Michelle onto all fours and released her gorgeous breasts from her

# FOUR THE F

bra and top letting them swing free.

Stuart plunged his rock-hard cock into her tight hole. It slid in easily with all the lubrication supplied by my saliva.

Carl took his cock out of my pussy and pulled off my top, releasing my large breasts and stiff nipples.

Lifting me on to all fours on the bed he thrust his prick deep into my arse stretching me really tight.

their sweet spunk into our arseholes.

While the lads were recovering, Michelle and I cleaned each other up with our tongues. We lapped at the cum and juices trickling out of each other's tight holes.

I then got a double-ended dildo which I'd bought especially in the hope of an occasion like this.

Me and Michelle fucked each other with the dildo, riding it and feeling our

## **We sucked, licked and nibbled**

clits bang against each other with every thrust.

Soon we were both screaming with pleasure again and squirting our juices along the length of the dildo.

We took the dildo out of our dripping cunts and licked it clean while we watched the lads getting hard again.

Michelle and I got on all fours again and began sucking and kissing Carl's now rock-solid cock.

We sucked, licked and nibbled away with great passion. We kissed each other around his cock and wrapped our tongues around his balls.

Meanwhile Stuart came round behind

# **TO LOOR!**

Michelle and I were both on our hands and knees, side by side, both being fucked up the arse by big cocks. What could be better?

I snogged Michelle so that she could taste her own juices on my lips. We fondled each other's gorgeous breasts until the lads both screamed that they were cumming.

This was followed by them pumping

## Lunch box

**M**y wife Julie is a bit of a goer. Just last week while I was at work she was at it with our married next door neighbour!

She told me all about it when I got back. I love hearing her dirty stories.

She sat there looking at me with a slutish expression, a cigarette in her hand, telling me how our neighbour had fucked her hard in the pussy and arse.

Then he had spanked her and cum in her face. I felt a surge of energy to my crotch. So I reached over and grabbed her.

**Then I pulled her skirt and panties over her shapely legs and turned her over to look at her perfectly round bum.**

I licked and kissed her pussy and then drove my thick prick into her lovely

moist hole. She moaned as I cupped her tits and banged her like the clappers, only stopping as my jism finally sprayed up her.

"You get me horny you dirty little bitch," I panted, pulling

my cock out of her wide black hole.

"If you come home at lunch tomorrow you can see the whole thing," she replied.

"Gavin is coming over again at one."

I couldn't wait and all the next day at work I had to keep going to the lav to have a wank. My slut wife had got me really hot under the collar and I was going to teach her and Gavin a lesson.

When lunchtime rolled round, instead of going to the pub as normal, I made my excuses and drove home.

her hard while she sucked up and down Gavin's shaft.

When he started wheezing I told him to do it on my wife's face and he covered her chin and cheeks with stringy man-goo.

**The sight of her taking another man's load got me really excited.**

I grabbed her legs hard and really hammered into her. Then I

I noticed the curtains were drawn.

I quietly opened the door and slipped in. I could hear panting and groaning from the living room at the back.

I walked in and Gavin leaped off my wife like a shot. He looked guilty as hell and scared, like I was going to beat him up.

"Don't worry, Gav, I know all about it," I said, cracking a smile. "Now put your cock back in Julie's mouth while I get undressed."

I looked down at Julie, on her back on the sofa. Her hair was dark with sweat, on her head and on her matted crotch. I could see Gavin's paw prints all over her boobs and her lipstick was all over her face.

**She smiled and spread her legs. I stripped and hoisted her legs up to slip my cock into her warm wet pussy.**

Gavin did as he was told, too shell-shocked to do anything else and pushed his heavy stiff stalk down into my wife's face.

She arched her head back to gobble it up and I fucked

pulled out and ribboned a big spurt of cum all up her tits.

**My slut wife Julie then scooped up both of our cum and ate it all happily.**

Gavin left a bit sheepishly but I told him to "cum" round whenever he wanted. But that he should expect me a couple of times a week.

When he'd left Julie and I had the best sex of our lives, rutting for the rest of my lunch hour. I was late back but my work had better get used to it! *Danny, Lewes.*

Rub rude girl Ruby up the right way and you could be on your way to her shaven haven. The tarty teen might not have the years behind her but she certainly knows what she likes – and when she likes it. “A man who knows how to handle my pussy is sure to get my juices running. I like to be treated gently and then when I’m wet enough I’m ready to get rough. I’m always up for getting fucked whatever time of day it is but I’m horniest first thing in the morning – when I’ve had a whole night of dirty dreams and I’m full of energy!”

Do not adjust your sets. Stacey's racy stockings are not playing tricks on your vision. Blame that on your overactive masturbatory activities. Seriously though, the stockings are just part of her sure-fire way to get noticed. "I've heard blokes like a bird in stockings so I'm making sure I don't go unnoticed. Besides I quite like the feel of them and the way they make my legs look ten times as sexy. I dare any bloke to try and get between my legs without finding them wrapped around his head and pulling it close to my twat!"

# BIRTHDAY B

It's her party and she'll cum if she wants to. That's what juicy jugged Jem reckons and who are we to spoil the celebration? "I've invited a few close friends but they're running late so I'm going to have to start having fun by myself. Mind you, that isn't difficult considering I like to bash myself as often as possible. Before my guests get here I aim to have as many orgasms as I am years old today – but I'm not telling you how old that is!" Don't worry, we'll get a rough idea from how messy your pussy looks!

## Hot rod

**I**t was a hot summer's day and I was waiting for the plumber to arrive. When the doorbell rang I was greeted by a lovely sight.

The plumber was very attractive and well-built. This caused my pussy to get wet beneath my leggings.

**As he followed me up the stairs I wiggled my bum for his attention. I could feel his eyes boring into me.**

When I showed him the bathroom I made sure he caught sight of my cleavage.

CONTINUED FROM PAGE 30

I noticed he now had a bulge in his trousers, it was now or never.

I took out his cock and started licking it with my excited tongue. He stroked my hair at first, then he pulled down my leggings to reveal my creamy snatch.

He gently slid in two fingers, which instantly made me moan and squeal.

As his cock was thrusting in my mouth I thought my husband could come home at any time and it really turned me on.

My T-shirt and bra were soon off and he was squeezing my breasts.

**Then I went down on all fours and took his throbbing cock from behind.**

He proceeded to bang me with great force, slapping my thighs with each thrust.

I screamed with delight until we climaxed together and the plumber filled my pipe!

This pervy pair of corks would do well on ad-lib comedy game *Whose Line Is It Anyway?* Not because there's something Toksvig about them but because they know how to improvise. With no man in the mix out comes the strap-on. "I actually prefer a plastic fucking," says blonde bint Luciana. "It never goes soft no matter how long it's up me. I've had plenty of blokes that don't last too long and I'm left unsatisfied. Fortunately Vicky doesn't have an impotence problem with her strap-on so I cum all night!"

## Dear Escort,

After my last appearance in *Escort* I was surprised to receive a letter from a close neighbour called Steve.

He had seen my pictures and wondered if I was prepared to do some modelling for him. After discussing it with my husband I said yes and we met the next weekend.

When Steve arrived at our place he said he wanted to see what he had seen in *Escort*. I started to get undressed and Steve started taking photographs.

I stripped out of my clothes and when I was naked I continued to pose in different positions with my legs and fanny wide open for another man.

This was obviously too much for my husband who came over and lay me down on the settee.

He started fingering me and I was soaking wet within a few minutes. Steve put his camera down and joined in.

I never intended to go this far but when he started to stroke and lick my nipples and took out his massive

# WIFE SEX LIFE RIFE

cock to offer to me I took as much as I could in my mouth.

After seeing me suck another man's cock for the first time my husband took his chance and offered to swap places with Steve.

I was so far gone to really

care and in no time he was fucking me. He went slowly at first, gradually getting faster with his huge cock taking me to my first orgasm.

Steve ended up staying the night and with my husband they continued to fuck me in various positions.

We now see Steve most weekends and have regular sex with him. My love life has never been so good thanks to appearing in your mag!

Claire, Yorks

# REAL WIFE SEX

*Tara's story continued from page 21*

us girls and took it in turns sucking and playing with our clits.

I told Carl I would love to watch him fuck Michelle and make her scream with joy.

He slid his hands under her bottom and lifted her high in the air. Then he brought her down slowly, impaling her on his large cock.

## **An enormous orgasm rocked her**

He started easing his stiff prick back and forth, slowly at first then getting faster and faster with each thrust.

Soon Michelle was screaming really loud as an enormous orgasm rocked her whole body.

Carl pulled out and laid her gently on the bed. This show had got Stuart and I really hot so when Carl suggested he

would like to see Stuart fuck me I wasn't going to agree.

Stuart thrust deep into my pussy and rode me hard. Michelle used her tongue to lick his balls and my clit while he pumped his hard cock in and

out of my pussy.

I took Carl deep into my throat and fucked him with my mouth while playing with his balls.

I could taste Michelle's juices on him – he tasted gorgeous!

Carl pulled out of my mouth and sprayed his spunk across my chest and face. At the same time Stuart

pulled out of my cunt and sprayed his sticky load all over Michelle.

Us girls licked the lads clean, then we licked all the spunk off of each other.

Once we were all clean we parted company, but not before we all agreed to organise another session! ☺

Helen's waiting

Welcome to Hel's kitchen where you'll find the ever-so-horny Helen getting hot – but it has nothing to do with what she's got cooking. "I'm waiting for my boyfriend to get home from work," she tells us. "He comes in the back door every night and I'm always waiting here for him. Sometimes he doesn't get his dinner until I've got what I want – a big portion of his meaty prick. I can't tell you the amount of times I've been bent over the kitchen top getting screwed senseless by him. It's probably more times than he's had hot dinners by me!"

## Turkish delight

**M**y husband Alan and I recently went to Turkey for a holiday.

Alan was playing pool in the bar with an 18-year-old lad called Sean. I noticed the young lad kept eyeing me up.

When Sean went to get a drink I told my husband and said I was going to wind the young lad up by flashing my pussy at him.

Sean returned, sat opposite me and I parted my legs. My slit was starting to moisten up and he didn't know where to look.

**Alan reassured him that it was fine to look and told Sean to have a look at a real woman's pussy.**

I whispered to Alan about

I let her finger my arse every now and again but I draw the line at her sticking other things up there.

**Fortunately she doesn't mind me sticking things up her shitter.**

We went through a phase of getting fresh produce like courgettes, carrots and bananas to stick up there but after chatting about it with a mate in the pub he suggested something else.

He told me to fill a condom

taking Sean back to the room with us and he was cool with the idea.

I asked Sean if he would like to see me lying naked on a bed. He looked at my husband for approval, and then I stood up and got a man in each arm and went back to the room.

**Helen, Colchester**

I stripped off and lay on the bed. I told Sean to take his clothes off and his cock was standing hard for me. He told me that he had only had sex once before.

**I sat up and sucked his young cock and he must have cum after ten seconds in my mouth.**

Sean was very apologetic but I told him to pay attention and learn. I then positioned myself over him and sat on his face for a little while.

While he was lapping away at me I leaned forward and started sucking his cock hard again.

## Cold cock

**M**y new girlfriend is an absolute revelation in the bedroom.

I used to think I was a filthy bastard but in the few months I've been seeing Sophie she has opened my eyes to a few shocking things.

She loves tonguing my arse and while I don't mind it, it's not exactly something I would have thought about having done to me.

I let her finger my arse every now and again but I draw the line at her sticking other things up there.

**Fortunately she doesn't mind me sticking things up her shitter.**

We went through a phase of getting fresh produce like courgettes, carrots and bananas to stick up there but after chatting about it with a mate in the pub he suggested something else.

He told me to fill a condom

**Sophie, Herts**

up with water, put it in the freezer and then when it was solid to ram it up Sophie's bum.

I couldn't wait to try it out and when the first mildly warm day of the year arrived I was ready. I just hadn't told Sophie.

**After sucking me off I ate out her pussy then started fucking it.**

She got on to all fours and I started doing her from behind.

I was ramming my cock into her wet pussy and she started begging me to fuck her arse.

I withdrew and told her to wait as I had something very

special for her.

I went downstairs, got the frozen condom out of the freezer and returned without letting her see it.

I stuck my cock back in her cunt and then aimed the frozen condom at her arse. As soon as the tip touched her ring she shivered and asked me what it was. I told her before slowly squeezing it in.

Sophie moaned as the cold object burrowed up her arse. When it was as deep as it could go I started pulling it back and forth.

She screamed with joy at every thrust and within min-

Once he was stiff enough I straddled him and gently bounced on his young cock. I told him I wanted him to cum inside my pussy and asked him what position he wanted me in.

He said doggy so I got on all fours and he slipped in between my hot pussy lips.

**I got his hand and made him play with my clit while he was fucking me.**

We got up a good pace then Sean announced he was going to cum again, so I told

him to fuck me hard and fill me deep.

He did just that and I told him to keep playing with my pussy as I was almost there, too.

After a few more tugs at my lips I let out a scream and fell forward on the bed. Sean took his cock out of me and Alan got in behind where he had left.

The cum was trickling out of my pussy as I got filled again by my husband!  
*Helen, Colchester.*

utes she was cumming. I followed quickly, spraying my sticky load up her twat.

When I pulled out I

continued to do her arse with the frozen condom before it melted and went all floppy!  
*Martin, Herts.*

## Hot dogging

I'd never been dogging – I didn't even know what it was until my fella brought up the subject and suggested we try it.

We drove to a local spot, parked up and waited.

**My bloke unbuttoned my blouse and started playing with my nipples and rubbing my wet pussy.**

hide the fact that he had his cock out and had been playing with himself. I asked him if there was anything I could help him with.

He opened the door and so I climbed in, immediately taking his cock in my hand and wrapping my mouth over the top of it.

As I slurped away I suddenly became aware of hands on my legs and fingers probing

I could see how excited this was making him so I moved closer and started rubbing his hardening cock through his trousers.

Then he reached over and thrust two of his fingers into my soaking hole. It was then he noticed we'd got a bit of an audience and decided to move to a quieter spot.

As we drove away, several cars followed us. When we arrived at our new location we resumed our earlier activities. I was really horny now and longing to be fucked.

I could just make out someone sitting in a van and so I asked my fella if we should let him join the fun. My bloke said yes so I made my way over to the van.

The man inside didn't

my juicy wet fanny.

I looked round to see three guys all with their cocks in their hands.

**I took turns to wank and suck them while they played with me.**

By this time my fella had joined in and told me to let any guy who wanted to fuck or wanted sucking off to do so.

For the next half hour I got fucked by a variety of strangers. Some came in my mouth, others splashed over my face.

I went home with my fella and he fucked me rotten, telling me how he had enjoyed watching me with the other blokes!
